Rules on distance voting and granting of proxy through distance communication means

In accordance with the provisions of section 521 of the Companies Act, articles 17 and 20 of the Articles of Association and sections 12 and 24 of the Regulations of the General Meeting of Shareholders, the basic rules regarding distance voting and granting of proxy through distance communication means are hereunder reproduced:

- i) Votes cast remotely and proxies granted through distance communication means (whether electronic or by post) shall be received by the Company by 00:00 p.m. of the second business day (Saturdays excluded) immediately prior to the date scheduled for the Annual General Meeting to be held on first call, that is, by 00:00 p.m. of Friday 13 July 2018.
- ii) Distance vote and granting of proxy through electronic means services shall be available to shareholders as of 29 June 2018, inclusive.
- iii) Distance voting shall entail the revocation of any proxy granted through distance communication means, regardless of their respective dates.

- iv) Attendance in person to the Annual General Meeting by any shareholder having previously granted proxy through electronic means or voted remotely, shall entail revocation of said proxy or vote.
- v) Votes cast by post or through electronic means shall be deemed to be revoked by a dissenting vote subsequently sent.
- vi) Where a shareholder would validly grant several proxies, the last one received at the Company shall prevail, irrespective of the method used to grant them.
- vii) Prior to granting proxy, proxy holders shall duly inform the shareholder of the existence of any conflict of interest situation. Should such conflict exist after the proxy has been granted, and the proxy grantor had not been immediately informed of its likely existence, the proxy holder shall immediately inform the proxy grantor thereof. In both cases, if after informing the proxy grantor of the conflict of interest situation, no accurate voting instructions would have been received by the proxy holder regarding each of the items on the agenda on which the proxy holder would have to vote on behalf of the shareholder, proxy holder shall abstain, without prejudice to the provisions of paragraph viii) below.
- viii) Unless otherwise expressly stated by the shareholder, where the proxy holder is involved in a conflict of interest situation, and he/she has not received accurate voting instructions, or even having received them, he/she would deem it best not to exercise such proxy regarding such items to which the conflict of interest refers to, it shall be understood that the proxy grantor has appointed as proxy holder regarding such items, jointly and severally and in succession, should any of them be in turn involved in a conflict of interest situation, first the Chair of the Annual General, second, the Secretary of the Annual General Meeting, and last, the Director of Capital Markets of the Company. Proxy holder so appointed shall cast vote as he/she may deem it best in the interest of the proxy grantor, in the scope of the corporate interest.
- ix) Where no voting instructions have been received regarding the motions included on the agenda, it shall be understood that the proxy holder has voted for the proposed resolution in question.
- x) Where no voting instructions have been received regarding the motions included on the agenda, it shall be understood that the proxy holder has voted as he/she may deem it best in the interest of the proxy grantor, in the scope of the corporate interest.
- xi) Where the document including the proxy is handed to the Company without expressly establishing the name or company name of the proxy holder, it shall be understood that the proxy grantor has appointed as proxy holder, jointly and severally and in succession, should any of them be in turn involved in a conflict of interest situation, first the Chair of the Annual General, second, the Secretary of the Annual General Meeting, and last, the Director of Capital Markets of the Company.
- xii) Mention is hereby made of the fact that all the directors may, including the Chairman of the Board, be involved in a potential conflict of interest situation regarding items number 5 and 7 on the agenda, as may be Mr Rodrigo Echenique Gordillo and Ms Pilar López Álvarez regarding item number 4a) and 4b), respectively, on the agenda. Likewise, mention is expressly made of the fact that a conflict of interest situation will exist whenever issues not included on the

agenda are submitted to the Annual General Meeting regarding the removal of the proxy holder or the filing of a derivative suit (*acción social de responsabilidad*) versus the proxy holder, should this latter be in turn a director of the Company.

- xiii) With regard to distance voting in connection with the proposed resolutions on items not included on the agenda, and unless otherwise stated, it shall be understood that proxy is granted to the Chair of the Annual General Meeting or, in the event of a conflict of interest, jointly and severally and in succession, to the Secretary of the Annual General Meeting and to the Capital Markets Director, who shall, in the absence of any voting instructions, cast their vote as they may deem it best in the interest of the proxy grantor, in the scope of the corporate interest.
- xiv) Shareholders who are legal persons and those who are non-residents of Spain shall refer to the Company to see whether it would be possible, as the case may be, to adapt to their situation with due guarantees the mechanisms for distance voting and granting of proxy by distance communication means.
- xv) Shareholders who are legal persons shall give notice to the Company of any changes or revocation of the powers of their representatives; consequently, the Company does not accept any liability until said notice is received.
- xvi) The validity of the proxy granted and of vote cast through distance communication means shall be subject to the verification of the status of shareholder by means of the Company's Register of Shareholders. In the event of any discrepancy between the number of shares reported by such shareholder who grants proxy or casts vote remotely and the one laid down in the Company's Register of Shareholders, the number of shares recorded in the latter shall be deemed to be valid for the purposes of quorum and voting.
- xvii) The Company reserves the right to suspend, amend or cancel the proceedings regarding vote and granting of proxy through electronic means for technical or security reasons. The Company shall not be held liable for any damages that shareholders might incur, as the case may be, arising out of any break-downs, line breaks, failures in the Internet connexion, malfunction of the Post Office postal service, non-delivery or late delivery by the Spanish Central Securities Depository in charge of the Register of Securities, and the Clearing and Settlement of all trades (Iberclear) of proxies granted through distance communication means, delivered by the shareholders to such entities, or any other contingencies, beyond the control of the Company, that would hinder or prevent the exercise of the right to cast their vote or grant proxy through distance communication means.
