REPORT OF THE AUDIT AND COMPLIANCE COMMITTEE ON THE RE-ELECTION OF THE COMPANY'S STATUTORY AUDITOR

This report addresses the proposal on the re-election of the statutory auditor of Industria de Diseño Textil, S.A. (Inditex, S.A.) (the "**Company**" or "**Inditex**") raised pursuant to the provisions of section 15.2.(d) of the Board of Directors' Regulations, section 7(a) of the Audit and Compliance Committee's Regulations and section 264 of the [*Spanish*] Companies Act ("**LSC**") and the regulations on statutory audit.

Pursuant to the terms of Resolution No. 6 passed at the Annual General Meeting ("AGM") held on 12 July 2022, Ernst & Young was appointed *"as the new statutory auditor of the Company and its Group for financial years 2022, 2023 y 2024."*

For this reason, once financial 2024 has ended, a new statutory auditor needs to be appointed for the next financial year(s). Further to the review of the different options available, it is deemed in the best interest of the Company to propose to the Board of Directors the re-election of Ernst & Young, S.L., with registered office in Madrid, Torre Azca, Calle Raimundo Fernández Villaverde, 65, 28003, and TIN [*Spanish CIF*] B-78970506, registered with the Companies Register of Madrid, on Volume 9.364 general, 8.130 of section 3 of the Companies Book, folio 68, sheet no. 87.690-1, 1st entry, as statutory auditor for the review of the annual accounts and directors' reports of the Company and the consolidated accounts of the Group for 2025, which runs from 1 February 2025 to 31 January 2026. Such proposal will be subsequently submitted to shareholders at the AGM for deliberation and, where appropriate, approval, in accordance with section 264 LSC and the regulations on statutory audit.

Prior to preparing this proposal, the Audit and Compliance Committee has verified, through the Internal Audit Function, that the proposed audit firm meets all independence and requirements to carry out the engagement. In particular, it has been verified that (i) the maximum engagement period has not been exceeded, (ii) the mandatory rotation provided for in the applicable regulations does not apply, (iii) Ernst & Young's business concentration limits have not been exceeded and, in general, all other rules on auditor independence have been observed.

To issue the relevant proposal for re-election, various aspects have been evaluated and the following parameters have been considered as advantageous: (i) the firm's positioning, in particular, its international network, (ii) its contribution to the integrity of the financial information for FY2022, FY2023 and FY2024, and (iii) its knowledge of the Group, the business and the working dynamics of the different teams.

The Audit and Compliance Committee has resolved by unanimous vote to issue this report which addresses the proposal to the Board of Directors on the re-election of the statutory auditor of the Inditex Group and its subsidiaries, to be raised to shareholders at the AGM, for their deliberation and approval, where appropriate.
