INDITEX

INTERNAL REGULATIONS ON REMOTE ATTENDANCE

Pursuant to Article 15*bis* of the Articles of Association and Section 11*bis* of the Regulations of the General Meeting of Shareholders, the Board of Directors of Industria de Diseño Textil, S.A. (Inditex, S.A.) ("**Inditex**" or the "**Company**") has resolved that shareholders and appointed proxies with a right to attend and participate at the upcoming Annual General Meeting ("**AGM**") of Inditex, scheduled to be held at its registered office: Avenida de la Diputación, Edificio Inditex, Arteixo, A Coruña (Spain), **at 12:00 noon (CEST) on Tuesday 7 July 2026** on first call, or at the same time and venue on the following day, Wednesday 8 July 2026, if necessary, on second call, may also remotely attend and participate at the AGM via Internet-enabled devices allowing remote and real-time connection, provided that the identity of shareholders and appointed proxies is duly secured, in accordance with the following terms and conditions approved by the Board of Directors which shall apply as of the date when the notice of the AGM is published.

a) Pre-registration

In order to secure the identity of the attendees and the proper exercise of their rights, shareholders wishing to remotely attend the AGM shall pre-register via the platform made available for such purposes on the corporate website (www.inditex.com), ("*Investors*" "*Corporate Governance*" "*Annual General Meeting*" section, "*AGM 2026*" space), **from 9:00 a.m. (CEST) on Monday 22 June 2026** until 12 noon (CEST) on **Monday 6 July 2026,** i.e., until 24 hours in advance of the time scheduled for the AGM to be held on first call. No pre-registration to exercise the right to remote attendance will be admitted beyond that date and time.

To pre-register, shareholders must have any one of the following digital identification supports: (i) a current and valid qualified electronic certificate issued by FNMT-CERES, pursuant to the terms of EU Regulation 910/2014 (eIDAS Regulation) and Act 6/2020, of 11 November relating to certain aspects of electronic trust services ("**Act 6/2020**"); (ii) the electronic authentication certificate of their valid National Identity Card (DNIe), or (iii) the set of user/password credentials that shareholders will receive at the email address provided upon completing the password request form found on the platform available on the corporate website (www.inditex.com), and once the Company has established their identity.

Appointed proxies wishing to remotely attend the meeting shall pre-register via the "*Individual Shareholders' Department*". To do so, they shall send by email to (juntaaccionistas2026@inditex.com), together with the attendance card issued in the name of the shareholder who appointed them by the participating entity in "Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U." [*Spanish Central Securities Depositary in charge of the Register of Securities, and the Clearing and Settlement of all trades*] ("**Iberclear**") where their shares are deposited, duly signed by hand (both by the proxy grantor and the appointed proxy filling out the "appoint a proxy" space printed on the attendance card), a scanned copy of their proof of identity (DNI or NIE in Spain or passport), and that of the shareholder they represent.

Alternatively, the appointed proxy may send a copy of the "*Proxy and absentee Voting Card*" made available by the Company on the corporate website (www.inditex.com), in the "*Investors*", "*Corporate Governance*", "*Annual General Meeting*" section, "*AGM 2026*" space, by email to (juntaaccionistas2026@inditex.com). Such form shall be duly filled out and signed by hand by both the appointed proxy and the shareholder in the "Appointment of proxy" space. In all cases, such form shall be submitted sent together with the

attendance card issued by the Iberclear participant where the shareholder has their shares deposited, duly signed by hand. In this case, if the appointed proxy has signed as indicated in the "*Proxy and Absentee Voting Card"* form, they need not sign the attendance card issued by the Iberclear participant.

Such documentation shall be submitted together with a proof of identity of both the appointed proxy and the shareholder they represent.

Legal representatives of corporate shareholders must also send to the aforementioned address a scanned copy of the document in support of their authorities to represent the corporate shareholder.

Said documentation **must be received at the Company no later than 12 noon (CEST) on Monday 6 July 2026, i.e., until 24 hours in advance** of the time scheduled for the AGM to be held on first call**.**

Likewise, should the appointed proxy wish to pre-register via the platform using credentials, they must have previously requested them within the term indicated in the paragraph above from the *"Individual Shareholders' Department*" at (juntaaccionistas2026@inditex.com), which will confirm such pre-registration to the appointed proxy by sending the user/password credentials to their e-mail, once their identity has been established.

b) Verification of the right to attend:

From the close of the pre-registration time i.e., **12 noon (CEST) on Monday 6 July 2026** until the time when access for remote attendance at the AGM opens, the Company will check the status of the pre-registered persons as shareholders (or appointed proxies). In any case, remote attendance will be subject to establishing that the pre-registered shareholder (or the shareholder represented by the pre-registered appointed proxy) has the right to attend the AGM, in accordance with the requirements set forth in the "*Right to Attend*" section of the notice of the AGM available on the corporate website (and provided that the requirements and provisions of statute, the Articles of Association (Article 17), the Regulations of the General Meeting of Shareholders (Sections 12 & 14) and sundry internal implementing regulations have been complied with).

In any case, appointed proxies may be urged to evidence their status as such on the day the AGM is held. In any event, the Company reserves the right to request such additional means of identification from shareholders and their proxies as it may deem necessary, to verify their status as shareholders and/or appointed proxies and to ensure the authenticity of any vote or proxy appointment.

Once their right to attend has been established, shareholders or appointed proxies may attend the AGM and vote therein by remote means, by logging in on the day the meeting is held pursuant to the terms set out in section (c) below.

Corporate shareholders shall give notice to the Company of any changes or revocation of the powers of their legal representative/appointed proxy. The Company does not accept any liability until said notice is given.

c) Logging on and attendance at the AGM:

Shareholders or appointed proxies who have pre-registered to remotely attend the AGM **must log on to the platform available for such purposes** on the corporate website (www.inditex.com) ("*Investors*", "*Corporate Governance*", "*Annual General Meeting*" section, " *AGM 2026* " space), **between 10:00 a.m. and 12 noon (CEST) on Tuesday 7 July 2026** if, as scheduled, the AGM is held on first call (or on the following

day, in the same time slot, if it is held on second call), and identify themselves by means of any one of the following supports: (i)) a current and valid qualified electronic certificate issued by FNMT-CERES, pursuant to the terms of EU Regulation 910/2014 (eIDAS Regulation) and Act 6/2020; (ii) the electronic authentication certificate of their valid National Identity Card (DNIe), or (iii) the set of user/password credentials that the shareholder or the appointed proxy will have received during the pre-registration process. Remote access outside of the aforementioned time slot will not be accepted.

d) Addresses and questions from the floor:

Shareholders -or appointed proxies - remotely participating at the AGM who intend to take the floor or request from the Board of Directors any information or clarifications they may deem necessary or raise questions regarding (i) agenda items; (ii) the information made available to the public disclosed by the Company to CNMV since 15 July 2025, date of the last AGM, and (iii) the auditor's reports on the individual annual accounts and directors' report of Inditex, S.A., and the consolidated annual accounts and consolidated directors' report of the Inditex Group for the year ended 31 January 2026, **must submit their address, proposal, request for information or clarification, or question in writing** in the form and pursuant to the terms and conditions established on the corporate website **from 10:00 a.m. (CEST) on Tuesday 7 July 2026** if, as scheduled, the AGM is held on first call (or on the following day, in the same time slot, if held on second call) and **until a quorum has been declared**. Remote attendees wishing for their addresses or questions to be recorded in the AGM's minutes in general terms or verbatim shall expressly indicate it in writing.

Requests for information or clarification validly made by remote attendees by electronic means shall be answered during the AGM or in writing within 7 calendar days of the conclusion of the AGM.

In order to facilitate the orderly conduct of the AGM, where a shareholder or proxy validly submits multiple addresses, whether during the pre-registration process and/or upon registration or remote connection on the day of the meeting, only the last address received by the Company shall be deemed valid for all purposes, and any prior cones shall be disregarded.

Where the information requested by a shareholder or appointed proxy is clearly, expressly and directly available in the question-answer-question format on the corporate website (www.inditex.com), the Board of Directors may answer by merely referring to such information.

e) Voting:

Shareholders or appointed proxies remotely participating at the AGM may vote on the proposed resolutions regarding agenda items using the platform available for such purposes on the corporate website (www.inditex.com) (**"***Investors*", "*Corporate Governance*", "*AGM*" section, "*AGM 2026*" space)**, from the beginning of the AGM and until the time when the close of the voting time on the proposed resolutions is announced.**

Where shareholders or appointed proxies do not specify the sense of their vote, it will be understood that they vote for the proposed resolutions submitted by the Board of Directors on each agenda item.

Shareholders or appointed proxies may vote on proposed resolutions corresponding to non-agenda items that may be raised in accordance with statute from the time they have been read out, once they have been made available on the platform, and until the close of the voting time.

The mechanisms used to cast absentee votes are provided with the due guarantees to identify the shareholder or appointed proxy who exercise the right to vote and to ensure the security of electronic communications. Remote attendance of shareholders or appointed proxies will be equivalent to physically attending the AGM. Therefore, the rules on voting and on the passing of resolutions provided for in the Articles of Association and the Regulations of the General Meeting of Shareholders for shareholders or appointed proxies physically attending the AGM will also apply to those remotely attending.

Shareholders, or appointed proxies remotely attending who wish to expressly state that they are leaving the AGM so that their vote will not be counted, must do so by sending an electronic communication via the platform available on the corporate website for such purposes.

f) Rules of priority:

Remote attendance shall prevail over absentee votes cast in advance and proxies appointed in advance of the AGM.

Physical attendance at the AGM by a shareholder or an appointed proxy who is registered to remotely attend will render this registration ineffective. The same will apply in case of physical attendance of a shareholder at the meeting with regard to the pre—registration of their appointed proxy and their eventual log in for remote attendance.

g) Streaming:

The AGM will be streamed live via the corporate website.

Likewise, sign language interpretation and audio description services will be offered in streaming to visually and/or hearing-impaired shareholders or appointed proxies who wish to attend and participate at the AGM, to better follow it. They will be entitled to take the floor and cast their vote via the remote attendance means made available to them.

h) Other issues:

The Company reserves the right to adopt the appropriate measures in relation to the channels enabled to remotely attend the AGM, where necessary for technical or security reasons. The Company shall not be held liable for any damages that shareholders or appointed proxies might incur as a result of the occasional unavailability of its website, as well as any other break-down, line break, failure in the Internet connection or any other eventuality of the same or similar nature, beyond the control of the Company, without prejudice to adopting the measures that each situation demands, including an eventual temporary suspension or extension of the AGM, if necessary to guarantee the full exercise of the rights of shareholders or appointed proxies.
